<b>Brief Presentation of the Organization</b>
<p>The Social Innovation and Cohesion Institute is an organization of civil society, in order to help individuals, communities and institutions to develop their skills, improve their performance practice and share knowledge in order to be able to meet the challenges of society and thus contribute actively to the development of a European area of skills and qualifications.</p> <p>Our goal is to promote lifelong learning and initiatives of transnational specifically addressed to young people, adult learners and professionals, through non-formal education and our main vision is to develop innovation to be implemented at the level of civil society to cohesion.</p> <p>The Social Innovation and Cohesion Institute battling to bring about social change for the benefit of citizens in the context of development of local, regional and European society. Focuses on the promotion of equal learning opportunities, in promoting human rights, cultivating the spirit of entrepreneurship and the development of people's abilities, promotes intercultural dialogue, knowledge exchange and European awareness with the active participation of young people and adults in projects relating to mobility, entrepreneurship education, professional and personal development. It is linked closely with various public and private entities in national and international levels, including schools, universities, VET providers, municipalities.</p> <p>At national level, the Social Innovation and Cohesion Institute promotes debate among local and regional authorities, schools, vocational centers, foundations and other non-governmental organizations dealing with human rights, local democracy and active citizenship, entrepreneurship and related fields.</p> <p>It has implemented a series of actions (workshops, seminars and studies) in areas such as human rights, entrepreneurship, active citizenship, the promotion of sport and healthy living, fighting human trafficking</p>

and prevent disease for young women. Additionally, in order to promote the value of volunteering regularly organizes volunteer training and volunteer team counts more than 60 members.

Finally, as regards the theme of entrepreneurship among young people, has organized a specialized seminar as a continuation of actions has been implemented in cooperation with the Council of Europe, which is expected through the plan to transfer to foreign entities.
