D. BACKGROUND AND EXPERIENCE

Please briefly
present the
partner
organisation.

TIA FORMAZIONE (www.tiaformazione.org) has been founded on 2011, firstly its aim is promoting European citizenships and policies, in this sense TIA organizes many training courses on European topics. Last four years TIA is dedicating the majority of its energies to write and manage European projects funded by European Commission. Youth people remain the central target through several actions in particular ERASMUS PLUS VET and YOUTH WORKERS. It is also very active in KA3 structured dialogue and KA2 good practices. TIA presents also projects at central level with EACEA. TIA, through its staff of project managers, writes and manages European projects and the staff covers several specialized professional figures such as a team of project managers specific for each call guided by the director, communication expert, video expert, social media manager, IT specialist, administration Legal Dept, European project management trainers, marketing expert, press release officer. TIA has also managed education for adults project ERASMUS PLUS KA1. Besides TIA Formazione works on education and migration matters. It is composed also by experts also in leadership and mentoring training courses. Partner of many international networks. VET PROVIDER for internship in cooperation with HOSTOUR.

PROJECTS BLOG :
